

Welcome to Scouting!

SEPTEMBER 2011

Friday September 16th **Binbrook Fall Fair**

Beavers to be in the Opening Parade

The Beavers will be participating in the Binbrook Fair opening parade on Friday September 16th. Last year we won best youth entry in the parade! Parents are asked to come in using the NORTH Gate Entrance to the Fair (up close to the hair salon), Identify that you're with the parade, and to bring their child to the back area of the track where the parade will start. We ask that all the beavers wear their uniform if they have one. Please have your child at this location no later than 6:45pm. Once the parade is over, parents are welcome to stay and enjoy the fair and the demolition derby with their children!

(Cubs and Scouts are welcome to be in the parade too, if they want to be!)

Cubs, Scouts & Venturers wanted to help in Food Booth during the Fair

If you are interested in helping out in the Food Booth during the Fair please let Akela know by calling 905-692-0693 or email Akela@1stbinbrook.org. Parents are also welcome and most appreciated to come and help out as well. The food booth is open Friday evening, all day Saturday and Sunday until approximately 4pm and we ask that youth assisting wear their Binbrook necker. If you have any questions just let us know. Most of the time slots are only 2 hours in duration and for the Cubs it fulfills one of their purple star requirements.

(Parking and North Gate also need older help, call us if you'd rather do that.)

Apple Days

Just to give our parents a heads up. Apple Days will be on October 14th and 15th this year. We will have a sign up sheet available as we get closer so that you can indicate when your child will be available to help. All money collected during Apple Days go to Mount Nemo Scout Camp in Burlington and allows us the opportunity to camp there with no booking costs.

Registration Night

Monday September 12th, 2011

Binbrook Agricultural Hall

7pm-8pm

**Fee for the 2011-2012 Season
is \$175 per youth.**

Costs are up, but we've kept it the same...
please help us when fundraising happens.

Popcorn Fundraising

We will be fundraising with popcorn again this year. Start thinking about who you know that might like to purchase some to support the group. Full details will be provided during one of our first meetings. We thank everyone in advance for their support of this fundraiser as it is usually the only one we run. It needs to be successful so that we can do really cool things with the beavers, cubs, scouts, and venturers... plus purchase enough equipment to support our outdoor activities!

This year, please also think now about anyone you know who might own a local business. The larger kits of popcorn are very professional, and make excellent customer, employee, and supplier gifts.

They'll be supporting the community, plus giving an appreciated gift, that is 100% North American grown and manufactured!

It's a definite win-win... and we deliver!

EMAIL

Please make sure you give us an actively checked email address if you have one... we are going electronic this year, for most things, given how much it costs each year in printing and paper. If you don't have an email address, that is a-ok, let us know and we will make sure you receive paper copies of all correspondence.
